For purposes of this section, the term "temporary assistance" means money payments, medical care, temporary billeting, transportation, and other goods and services necessary for the health or welfare of individuals (including guidance, counseling, and other welfare services) furnished to them within the United States upon their arrival in the United States and for such period after their arrival, not exceeding ninety days, as may be provided in regulations of the Secretary; except that assistance under this section may be furnished beyond such ninety-day period in the case of any citizen or dependent upon a finding by the Secretary that the circumstances involved necessitate or justify the furnishing of assistance beyond such period in that particular case.

(d) Maximum total amount of temporary assistance

The total amount of temporary assistance provided under this section shall not exceed \$1,000,000 during any fiscal year beginning after September 30, 1991.

(e) Authority of Secretary to accept gifts

(1) The Secretary may accept on behalf of the United States gifts, in cash or in kind, for use in carrying out the program established under this section. Gifts in the form of cash shall be credited to the appropriation account from which this program is funded, in addition to amounts otherwise appropriated, and shall remain available until expended.

(2) Gifts accepted under paragraph (1) shall be available for obligation or other use by the United States only to the extent and in the amounts provided in appropriation Acts

Sec. 1314. - Public advisory groups

(a) Advisory Council on Public Welfare; appointment and functions of initial Council

The Secretary shall, during 1964, appoint an Advisory Council on Public Welfare for the purpose of reviewing the administration of the public assistance and child welfare services programs for which funds are appropriated pursuant to this chapter and making recommendations for improvement of such administration, and reviewing the status of and making recommendations with respect to the public assistance programs for which funds are so appropriated, especially in relation to the old-age, survivors, and disability insurance program, with respect to the fiscal capacities of the States and the Federal Government, and with respect to any other matters bearing on the amount and proportion of the Federal and State shares in the public assistance and child welfare services programs.

(b) Membership and representation of interests on initial Council

The Council shall be appointed by the Secretary without regard to the provisions of title 5 governing appointments in the competitive service and shall consist of twelve persons who shall, to the extent possible, be representatives of employers and employees in equal numbers, representatives of State or Federal agencies

concerned with the administration or financing of the public assistance and child welfare services programs, representatives of nonprofit private organizations concerned with social welfare programs, other persons with special knowledge, experience, or qualifications with respect to such programs, and members of the public.

(c) Technical and other assistance for initial Council; availability of data

The Council is authorized to engage such technical assistance as may be required to carry out its functions, and the Secretary shall, in addition, make available to the Council such secretarial, clerical, and other assistance and such pertinent data prepared by the Department of Health and Human Services as it may require to carry out such functions.

(d) Termination of initial Council's existence on submission of report

The Council shall make a report of its findings and recommendations (including recommendations for changes in the provisions of this chapter) to the Secretary, such report to be submitted not later than July 1, 1966, after which date such Council shall cease to exist.

(e) Succeeding Councils; appointment; functions; membership; representation of interests; assistance and data; termination

The Secretary shall also from time to time thereafter appoint an Advisory Council on Public Welfare, with the same functions and constituted in the same manner as prescribed for the Advisory Council in the preceding subsections of this section. Each Council so appointed shall report its findings and recommendations, as prescribed in subsection (d) of this section, not later than July 1 of the second year after the year in which it is appointed, after which date such Council shall cease to exist.

(f) Advisory committees; functions; reports by Secretary

The Secretary may also appoint, without regard to the provisions of title 5 governing appointments in the competitive service, such advisory committees as he may deem advisable to advise and consult with him in carrying out any of his functions under this chapter. The Secretary shall report to the Congress annually on the number of such committees and on the membership and activities of each such committee.

(g) Compensation and travel expenses

Members of the Council or of any advisory committee appointed under this section who are not regular full-time employees of the United States shall, while serving on business of the Council or any such committee, be entitled to receive compensation at rates fixed by the Secretary, but not exceeding \$75 per day, including travel time; and while so serving away from their homes or regular places of business, they may be allowed travel expenses, including per diem in lieu of subsistence, as authorized by section 5703 of title 5 for persons in Government service employed intermittently.

(h) Exemption from conflict of interest laws of members of Council or advisory committees; exceptions

(1) Any member of the Council or any advisory committee appointed under this chapter, who is not a regular full-time employee of the United States, is hereby exempted, with respect to such appointment, from the operation of sections 203, 205, and 209 of title 18, except as otherwise specified in paragraph (2) of this subsection.

(2) The exemption granted by paragraph (1) shall not extend -

(A) to the receipt or payment of salary in connection with the appointee's Government service from any source other than the employer of the appointee at the time of his appointment, or

(B) during the period of such appointment, to the prosecution or participation in the prosecution, by any person so appointed, of any claim against the Government involving any matter with which such person, during such period, is or was directly connected by reason of such appointment.

(i) Nonvoting members and experts

(1) Any advisory committee appointed under subsection (f) of this section to advise the Secretary on matters relating to the interpretation, application, or implementation of section 1395y(a)(1) of this title shall assure the full participation of a nonvoting member in the deliberations of the advisory committee, and shall provide such nonvoting member access to all information and data made available to voting members of the advisory committee, other than information that -

(A) is exempt from disclosure pursuant to subsection (a) of section 552 of title 5 by reason of subsection (b)(4) of such section (relating to trade secrets); or

(B) the Secretary determines would present a conflict of interest relating to such nonvoting member.

(2) If an advisory committee described in paragraph (1) organizes into panels of experts according to types of items or services considered by the advisory committee, any such panel of experts may report any recommendation with respect to such items or services directly to the Secretary without the prior approval of the advisory committee or an executive committee thereof

Sec. 1315. - Demonstration projects

(a) Waiver of State plan requirements; costs regarded as State plan expenditures; availability of appropriations

In the case of any experimental, pilot, or demonstration project which, in the judgment of the Secretary, is likely to assist in promoting the objectives of subchapter I, X, XIV, XVI, or XIX of this chapter, or part A or D of subchapter IV of this chapter, in a State or States -

(1) the Secretary may waive compliance with any of the requirements of section 302, 602, 654, 1202, 1352, 1382, or 1396a of this title, as the case may be, to the extent and for the period he finds necessary to enable such State or States to carry out such project, and

(2)

(A) costs of such project which would not otherwise be included as expenditures under section 303, 655, 1203, 1353, 1383, or 1396b of this title, as the case may be, and which are not included as part of the costs of projects under section 1310 of this title, shall, to the extent and for the period prescribed by the Secretary, be regarded as expenditures under the State plan or plans approved under such subchapter, or for administration of such State plan or plans, as may be appropriate, and

(B) costs of such project which would not otherwise be a permissible use of funds under part A of subchapter IV of this chapter and which are not included as part of the costs of projects under section 1310 of this title, shall to the extent and for the period prescribed by the Secretary, be regarded as a permissible use of funds under such part.

In addition, not to exceed \$4,000,000 of the aggregate amount appropriated for payments to States under such subchapters for any fiscal year beginning after June 30, 1967, shall be available, under such terms and conditions as the Secretary may establish, for payments to States to cover so much of the cost of such projects as is not covered by payments under such subchapters and is not included as part of the cost of projects for purposes of section 1310 of this title.

(b) Child support enforcement programs

In the case of any experimental, pilot, or demonstration project undertaken under subsection (a) of this section to assist in promoting the objectives of part D of subchapter IV of this chapter, the project -

(1) must be designed to improve the financial well-being of children or otherwise improve the operation of the child support program;

(2) may not permit modifications in the child support program which would have the effect of disadvantaging children in need of support; and

(3) must not result in increased cost to the Federal Government under part A of such subchapter.

(c) Demonstration projects to test alternative definitions of unemployment

(1)

(A) The Secretary shall enter into agreements with up to 8 States submitting applications under this subsection for the purpose of conducting demonstration projects in such States to test and evaluate the use, with respect to individuals who received aid under part A of subchapter IV of this chapter in the preceding month (on the basis of the unemployment of the parent who is the principal earner), of a number greater than 100 for the number of hours per month that such individuals may work and still be considered to be unemployed for purposes of section 607 of this title. If any State submits an application under this subsection for the purpose of conducting a demonstration project to test and evaluate the total elimination of the 100-hour rule, the Secretary shall approve at least one such application.

(B) If any State with an agreement under this subsection so requests, the demonstration project conducted pursuant to such agreement may test and evaluate the complete elimination of the 100-hour rule and of any other durational standard that might be applied in defining unemployment for purposes of determining eligibility under section 607 of this title.

(2) Notwithstanding section 602(a)(1) of this title, a demonstration project conducted under this subsection may be conducted in one or more political subdivisions of the State.

(3) An agreement under this subsection shall be entered into between the Secretary and the State agency designated under section 602(a)(3) of this title. Such agreement shall provide for the payment of aid under the applicable State plan under part A of subchapter IV of this chapter as though section 607 of this title had been modified to reflect the definition of unemployment used in the demonstration project but shall also provide that such project shall otherwise be carried out in accordance with all of the requirements and conditions of section 607 of this title (and, except as provided in paragraph (2), any related requirements and conditions under part A of subchapter IV of this chapter).

(4) A demonstration project under this subsection may be commenced any time after September 30, 1990, and shall be conducted for such period of time as the agreement with the Secretary may provide; except that, in no event may a demonstration project under this section be conducted after September 30, 1995.

(5)

(A) Any State with an agreement under this subsection shall evaluate the comparative cost and employment effects of the use of the definition of unemployment in its demonstration project under this section by use of experimental and control groups comprised of a random sample of individuals receiving aid under section 607 of this title and shall furnish the Secretary with such information as the Secretary determines to be necessary to evaluate the results of the project conducted by the State.

(B) The Secretary shall report the results of the demonstration projects conducted under this subsection to the Congress not later than 6 months after all such projects are completed.

(e) (FOOTNOTE 1) Extensions of State-wide comprehensive demonstration projects for which waivers granted

^[1] So in original. No subsec. (d) has been enacted.

- (1)** The provisions of this subsection shall apply to the extension of any State-wide comprehensive demonstration project (in this subsection referred to as "waiver project") for which a waiver of compliance with requirements of subchapter XIX of this chapter is granted under subsection (a) of this section.
- (2)** During the 6-month period ending 1 year before the date the waiver under subsection (a) of this section with respect to a waiver project would otherwise expire, the chief executive officer of the State which is operating the project may submit to the Secretary a written request for an extension, of up to 3 years, of the project.
- (3)** If the Secretary fails to respond to the request within 6 months after the date it is submitted, the request is deemed to have been granted.
- (4)** If such a request is granted, the deadline for submittal of a final report under the waiver project is deemed to have been extended until the date that is 1 year after the date the waiver project would otherwise have expired.
- (5)** The Secretary shall release an evaluation of each such project not later than 1 year after the date of receipt of the final report.
- (6)** Subject to paragraphs (4) and (7), the extension of a waiver project under this subsection shall be on the same terms and conditions (including applicable terms and conditions relating to quality and access of services, budget neutrality, data and reporting requirements, and special population protections) that applied to the project before its extension under this subsection.
- (7)** If an original condition of approval of a waiver project was that Federal expenditures under the project not exceed the Federal expenditures that would otherwise have been made, the Secretary shall take such steps as may be necessary to ensure that, in the extension of the project under this subsection, such condition continues to be met. In applying the previous sentence, the Secretary shall take into account the Secretary's best estimate of rates of change in expenditures at the time of the extension.

(f) Application for extension of waiver project; submission; approval

An application by the chief executive officer of a State for an extension of a waiver project the State is operating under an extension under subsection (e) of this section (in this subsection referred to as the "waiver project") shall be submitted and approved or disapproved in accordance with the following:

- (1)** The application for an extension of the waiver project shall be submitted to the Secretary at least 120 days prior to the expiration of the current period of the waiver project.
- (2)** Not later than 45 days after the date such application is received by the Secretary, the Secretary shall notify the State if the Secretary intends to review the terms and conditions of the waiver project. A failure to provide such notification shall be deemed to be an approval of the application.
- (3)** Not later than 45 days after the date a notification is made in accordance with paragraph (2), the Secretary shall inform the State of proposed changes in the terms and conditions of the waiver project. A failure to provide such information shall be deemed to be an approval of the application.
- (4)** During the 30-day period that begins on the date information described in paragraph (3) is provided to a State, the Secretary shall negotiate revised terms and conditions of the waiver project with the State.

(5)

(A) Not later than 120 days after the date an application for an extension of the waiver project is submitted to the Secretary (or such later date agreed to by the chief executive officer of the State), the Secretary shall -

- (i)** approve the application subject to such modifications in the terms and conditions

(I) as have been agreed to by the Secretary and the State; or

(II) in the absence of such agreement, as are determined by the Secretary to be reasonable, consistent with the overall objectives of the waiver project, and not in violation of applicable law; or

(ii) disapprove the application.

(B) A failure by the Secretary to approve or disapprove an application submitted under this subsection in accordance with the requirements of subparagraph (A) shall be deemed to be an approval of the application subject to such modifications in the terms and conditions as have been agreed to (if any) by the Secretary and the State.

(6) An approval of an application for an extension of a waiver project under this subsection shall be for a period not to exceed 3 years.

(7) An extension of a waiver project under this subsection shall be subject to the final reporting and evaluation requirements of paragraphs (4) and (5) of subsection (e) of this section (taking into account the extension under this subsection with respect to any timing requirements imposed under those paragraphs)

Sec. 1316. - Administrative and judicial review of public assistance determinations

(a) Determination of conformity with requirements for approval; petition for reconsideration; hearing; time limitations; review by court of appeals

(1) Whenever a State plan is submitted to the Secretary by a State for approval under subchapter I, X, XIV, XVI, or XIX of this chapter, he shall, not later than 90 days after the date the plan is submitted to him, make a determination as to whether it conforms to the requirements for approval under such subchapter. The 90-day period provided herein may be extended by written agreement of the Secretary and the affected State.

(2) Any State dissatisfied with a determination of the Secretary under paragraph (1) of this subsection with respect to any plan may, within 60 days after it has been notified of such determination, file a petition with the Secretary for reconsideration of the issue of whether such plan conforms to the requirements for approval under such subchapter. Within 30 days after receipt of such a petition, the Secretary shall notify the State of the time and place at which a hearing will be held for the purpose of reconsidering such issue. Such hearing shall be held not less than 20 days nor more than 60 days after the date notice of such hearing is furnished to such State, unless the Secretary and such State agree in writing to holding the hearing at another time. The Secretary shall affirm, modify, or reverse his original determination within 60 days of the conclusion of the hearing.

(3) Any State which is dissatisfied with a final determination made by the Secretary on such a reconsideration or a final determination of the Secretary under section 304, 1204, 1354, 1384, or 1396c of this title may, within 60 days after it has been notified of such determination, file with the United States court of appeals for the circuit in which such State is located a petition for review of such determination. A copy of the petition shall be forthwith transmitted by the clerk of the court to the Secretary. The Secretary thereupon shall file in the court the record of the proceedings on which he based his determination as provided in section 2112 of title 28.

(4) The findings of fact by the Secretary, if supported by substantial evidence, shall be conclusive; but the court, for good cause shown, may remand the case to the Secretary to take further evidence, and the Secretary may thereupon make new or modified findings of fact and may modify his previous action, and shall certify to the court the transcript and record of the further proceedings. Such new or modified findings of fact shall likewise be conclusive if supported by substantial evidence.

(5) The court shall have jurisdiction to affirm the action of the Secretary or to set it aside, in whole or in part. The judgment of the court shall be subject to review by the Supreme Court of the United States upon certiorari or certification as provided in section 1254 of title 28.

(b) Amendment of plans

For the purposes of subsection (a) of this section, any amendment of a State plan approved under subchapter I, X, XIV, XVI, or XIX of this chapter, may, at the option of the State, be treated as the submission of a new State plan.

(c) Restitution when Secretary reverses his determination

Action pursuant to an initial determination of the Secretary described in subsection (a) of this section shall not be stayed pending reconsideration, but in the event that

the Secretary subsequently determines that his initial determination was incorrect he shall certify restitution forthwith in a lump sum of any funds incorrectly withheld or otherwise denied.

(d) Items covered under other subchapters; disallowance

Whenever the Secretary determines that any item or class of items on account of which Federal financial participation is claimed under subchapter I, X, XIV, XVI, or XIX of this chapter, shall be disallowed for such participation, the State shall be entitled to and upon request shall receive a reconsideration of the disallowance

Sec. 1317. - Appointment of Administrator and Chief Actuary of Health Care Financing Administration

(a) The Administrator of the Health Care Financing Administration shall be appointed by the President by and with the advice and consent of the Senate.

(b)

(1) There is established in the Health Care Financing Administration the position of Chief Actuary. The Chief Actuary shall be appointed by, and in direct line of authority to, the Administrator of such Administration. The Chief Actuary shall be appointed from among individuals who have demonstrated, by their education and experience, superior expertise in the actuarial sciences. The Chief Actuary shall exercise such duties as are appropriate for the office of the Chief Actuary and in accordance with professional standards of actuarial independence. The Chief Actuary may be removed only for cause.

(2) The Chief Actuary shall be compensated at the highest rate of basic pay for the Senior Executive Service under section 5382(b) of title 5

Sec. 1318. - Alternative Federal payment with respect to public assistance expenditures

In the case of any State which has in effect a plan approved under subchapter XIX of this chapter for any calendar quarter, the total of the payments to which such State is entitled for such quarter, and for each succeeding quarter in the same fiscal year (which for purposes of this section means the 4 calendar quarters ending with September 30), under paragraphs (1) and (2) of sections 303(a), ^[1] 1203(a), (FOOTNOTE 1) 1353(a), (FOOTNOTE 1) and 1383(a) (FOOTNOTE 1) of this title shall, at the option of the State, be determined by application of the Federal medical assistance percentage (as defined in section 1396d of this title), instead of the percentages provided under each such section, to the expenditures under its State plans approved under subchapters I, X, XIV, and XVI of this chapter, which would be included in determining the amounts of the Federal payments to which such State is entitled under such sections, but without regard to any maximum on the dollar amounts per recipient which may be counted under such sections. For purposes of the preceding sentence, the term "Federal medical assistance percentage" shall, in the case of Puerto Rico, the Virgin Islands, and Guam, mean 75 per centum.

Sec. 1319. - Federal participation in payments for repairs to home owned by recipient of aid or assistance

In the case of an expenditure for repairing the home owned by an individual who is receiving aid or assistance, other than medical assistance to the aged, under a State plan approved under subchapter I, X, XIV, or XVI of this chapter, if -

(1) the State agency or local agency administering the plan approved under such subchapter has made a finding (prior to making such expenditure) that

(A) such home is so defective that continued occupancy is unwarranted,

(B) unless repairs are made to such home, rental quarters will be necessary for such individual, and

(C) the cost of rental quarters to take care of the needs of such individual (including his spouse living with him in such home and any other individual whose needs were taken into account in determining the need of such individual) would exceed (over such time as the Secretary may specify) the cost of repairs needed to make such home habitable together with other costs attributable to continued occupancy of such home, and

(2) no such expenditures were made for repairing such home pursuant to any prior finding under this section, the amount paid to any such State for any quarter under section 303(a), 1203(a), 1353(a), or 1383(a) of this title shall be increased by 50 per centum of such expenditures, except that the excess above \$500 expended with respect to any one home shall not be included in determining such expenditures

Sec. 1320. - Approval of certain projects

No payment shall be made under this chapter with respect to any experimental, pilot, demonstration, or other project all or any part of which is wholly financed with Federal funds made available under this chapter (without any State, local, or other non-Federal financial participation) unless such project shall have been personally approved by the Secretary or Deputy Secretary of Health and Human Services

Sec. 1321. - Eligibility requirements for transfer of funds; reimbursement by State; application; certification; limitation

(a)

(1) Advances shall be made to the States from the Federal unemployment account in the Unemployment Trust Fund as provided in this section, and shall be repayable, with interest to the extent provided in section 1322(b) of this title, in the manner provided in sections 1101(d)(1), 1103(b)(2), and 1322 of this title. An advance to a State for the payment of compensation in any 3-month period may be made if -

(A) the Governor of the State applies therefor no earlier than the first day of the month preceding the first month of such 3-month period, and

(B) he furnishes to the Secretary of Labor his estimate of the amount of an advance which will be required by the State for the payment of compensation in each month of such 3-month period.

(2) In the case of any application for an advance under this section to any State for any 3-month period, the Secretary of Labor shall -

(A) determine the amount (if any) which he finds will be required by such State for the payment of compensation in each month of such 3-month period, and

(B) certify to the Secretary of the Treasury the amount (not greater than the amount estimated by the Governor of the State) determined under subparagraph (A).

The aggregate of the amounts certified by the Secretary of Labor with respect to any 3-month period shall not exceed the amount which the Secretary of the Treasury reports to the Secretary of Labor is available in the Federal unemployment account for advances with respect to each month of such 3-month period.

(3) For purposes of this subsection -

(A) an application for an advance shall be made on such forms, and shall contain such information and data (fiscal and otherwise) concerning the operation and administration of the State unemployment compensation law, as the Secretary of Labor deems necessary or relevant to the performance of his duties under this subchapter,

(B) the amount required by any State for the payment of compensation in any month shall be determined with due allowance for contingencies and taking into account all other

amounts that will be available in the State's unemployment fund for the payment of compensation in such month, and

(C) the term "compensation" means cash benefits payable to individuals with respect to their unemployment, exclusive of expenses of administration.

(b) The Secretary of the Treasury shall, prior to audit or settlement by the General Accounting Office, transfer in monthly installments from the Federal unemployment account to the account of the State in the Unemployment Trust Fund the amount certified under subsection (a) of this section by the Secretary of Labor (but not exceeding that portion of the balance in the Federal unemployment account at the time of the transfer which is not restricted as to use pursuant to section 1103(b)(1) of this title). The amount of any monthly installment so transferred shall not exceed the amount estimated by the State to be required for the payment of compensation for the month with respect to which such installment is made

Sec. 1322. - Repayment by State; certification; transfer; interest on loan; credit of interest on loan

(a) Repayment by State; certification; transfer

The Governor of any State may at any time request that funds be transferred from the account of such State to the Federal unemployment account in repayment of part or all of that balance of advances, made to such State under section 1321 of this title, specified in the request. The Secretary of Labor shall certify to the Secretary of the Treasury the amount and balance specified in the request; and the Secretary of the Treasury shall promptly transfer such amount in reduction of such balance.

(b) Interest on loan

(1) Except as otherwise provided in this subsection, each State shall pay interest on any advance made to such State under section 1321 of this title. Interest so payable with respect to periods during any calendar year shall be at the rate determined under paragraph (4) for such calendar year.

(2) No interest shall be required to be paid under paragraph (1) with respect to any advance or advances made during any calendar year if -

(A) such advances are repaid in full before the close of September 30 of the calendar year in which the advances were made,

(B) no other advance was made to such State under section 1321 of this title during such calendar year and after the date on which the repayment of the advances was completed, and

(C) such State meets funding goals, established under regulations issued by the Secretary of Labor, relating to the accounts of the States in the Unemployment Trust Fund.

(3)

(A) Interest payable under paragraph (1) which was attributable to periods during any fiscal year shall be paid by the State to the Secretary of the Treasury prior to the first day of the following fiscal year. If interest is payable under paragraph (1) on any advance (hereinafter in this subparagraph referred to as the "first advance") by reason of another advance made to such State after September 30 of the calendar year in which the first advance was made, interest on such first advance attributable to periods before such September 30 shall be paid not later than the day after the date on which the other advance was made.

(B) Notwithstanding subparagraph (A), in the case of any advance made during the last 5 months of any fiscal year, interest on such advance attributable to periods during such fiscal year shall not be required to be paid before the last day of the succeeding taxable year. Any interest the time for payment of which is deferred by the preceding sentence shall bear interest in the same manner as if it were an advance made on the day on which it would have been required to be paid but for this subparagraph.

(C)

(i) In the case of any State which meets the requirements of clause (ii) for any calendar year, any interest otherwise required to be paid under this subsection during such calendar year shall be paid as follows -

(I) 25 percent of the amount otherwise required to be paid on or before any day during such calendar year shall be paid on or before such day; and

(II) 25 percent of the amount otherwise required to be paid on or before such day shall be paid on or before the corresponding day in each of the 3 succeeding calendar years.

No interest shall accrue on such deferred interest.

(ii) A State meets the requirements of this clause for any calendar year if the rate of insured unemployment (as determined for purposes of section 203 of the Federal-State Extended Unemployment Compensation Act of 1970) under the State law of the period consisting of the first 6 months of the preceding calendar year equaled or exceeded 7.5 percent.

(4) The interest rate determined under this paragraph with respect to any calendar year is a percentage (but not in excess of 10 percent) determined by dividing -

(A) the aggregate amount credited under section 1104(e) of this title to State accounts on the last day of the last calendar quarter of the immediately preceding calendar year, by

(B) the aggregate of the average daily balances of the State accounts for such quarter as determined under section 1104(e) of this title.

(5) Interest required to be paid under paragraph (1) shall not be paid (directly or indirectly) by a State from amounts in its unemployment fund. If the Secretary of Labor determines that any State action results in the paying of such interest directly or indirectly (by an equivalent reduction in State unemployment taxes or otherwise) from such unemployment fund, the Secretary of Labor shall not certify such State's unemployment compensation law under section 3304 of the Internal Revenue Code of 1986. Such noncertification shall be made in accordance with section 3304(c) of such Code.

(6)

(A) For purposes of paragraph (2), any voluntary repayment shall be applied against advances made under section 1321 of this title on the last made first repaid basis. Any other repayment of such an advance shall be applied against advances on a first made first repaid basis.

(B) For purposes of this paragraph, the term "voluntary repayment" means any repayment made under subsection (a) of this section.

(7) This subsection shall only apply to advances made on or after April 1, 1982.

(8)

(A) With respect to interest due under this section on September 30 of 1983, 1984, or 1985 (other than interest previously deferred under paragraph (3)(C)), a State may pay 80 percent of such interest in four annual installments of at least 20 percent beginning with the year after the year in which it is otherwise due, if such State meets the criteria of subparagraph (B). No interest shall accrue on such deferred interest.

(B) To meet the criteria of this subparagraph a State must -

(i) have taken no action since October 1, 1982, which would reduce its net unemployment tax effort or the net solvency of its unemployment system (as determined for purposes of section 3302(f) of the Internal Revenue Code of 1986); and

(ii)

(I) have taken an action (as certified by the Secretary of Labor) after March 31, 1982, which would have increased revenue liabilities and decreased benefits under the State's unemployment compensation system (hereinafter referred to as a "solvency effort") by a combined total of the applicable percentage (as compared to such revenues and benefits as would have been in effect without such State action) for the calendar year for which the deferral is requested; or

(II) have had, for taxable year 1982, an average unemployment tax rate which was equal to or greater than 2.0 percent of the total of the wages (as determined without any limitation on amount) attributable to such State subject to contribution under the State unemployment compensation law with respect to such taxable year.

In the case of the first year for which there is a deferral (over a 4-year period) of the interest otherwise payable for such year, the applicable percentage shall be 25 percent. In the case of the second such year, the applicable percentage shall be 35 percent. In the case of the third such year, the applicable percentage shall be 50 percent.

(C)

(i) The base year is the first year for which deferral under this provision is requested and subsequently granted. The Secretary of Labor shall estimate the unemployment rate for the base year. To determine whether a State meets the requirements of subparagraph (B)(ii)(I), the Secretary of Labor shall determine the percentage by which the benefits and taxes in the base year with the application of the action referred to in subparagraph (B)(ii)(I) are lower or greater, as the case may be, than such benefits and taxes would have been without the application of such action. In making this determination, the Secretary shall deem the application of the action referred to in subparagraph (B)(ii)(I) to have been effective for the base year to the same extent as such action is effective for the year following the year for which the deferral is sought. Once a deferral is approved under clause (ii)(I) of subparagraph (B) a State must continue to maintain its solvency effort. Failure to do so shall result in the State being required to make immediate payment of all deferred interest.

(ii) Increases in the taxable wage base from \$6,000 to \$7,000 or increases after 1984 in the maximum tax rate to 5.4 percent shall not be counted for purposes of meeting the requirement of subparagraph (B).

(D) In the case of a State which produces a solvency effort of 50 percent, 80 percent, and 90 percent rather than the 25 percent, 35 percent, and 50 percent required under subparagraph (B), the interest shall be computed at an interest rate which is 1 percentage point less than the otherwise applicable interest rate.

(9) Any interest otherwise due from a State on September 30 of a calendar year after 1982 may be deferred (and no interest shall accrue on such deferred interest) for a grace period of not to exceed 9 months if, for the most recent 12-month period for which data are available before the date such interest is otherwise due, the State had an average total unemployment rate of 13.5 percent or greater.

(c) Credit of interest on loan

Interest paid by States in accordance with this section shall be credited to the Federal unemployment account established by section 1104(g) of this title in the Unemployment Trust Fund

Sec. 1323. - Repayable advances to Federal Unemployment Account

There are hereby authorized to be appropriated to the Federal unemployment account, as repayable advances, such sums as may be necessary to carry out the purposes of this subchapter. Amounts appropriated as repayable advances shall be repaid by transfers from the Federal unemployment account to the general fund of the Treasury, at such times as the amount in the Federal unemployment account is determined by the Secretary of the Treasury, in consultation with the Secretary of Labor, to be adequate for such purpose. Any amount transferred as a repayment under this section shall be credited against, and shall operate to reduce, any balance of advances repayable under this section. Whenever, after the application of sections 1101(f)(3) and 1102(a) of this title with respect to the excess in the

employment security administration account as of the close of any fiscal year, there remains any portion of such excess, so much of such remainder as does not exceed the balance of advances made pursuant to this section shall be transferred to the general fund of the Treasury and shall be credited against, and shall operate to reduce, such balance of advances. Amounts appropriated as repayable advances for purposes of this subsection shall bear interest at a rate equal to the average rate of interest, computed as of the end of the calendar month next preceding the date of such advance, borne by all interest bearing obligations of the United States then forming part of the public debt; except that in cases in which such average rate is not a multiple of one-eighth of 1 percent, the rate of interest shall be the multiple of one-eighth of 1 percent next lower than such average rate
